

The Sniffers:

NEWSLETTER 10th of October 2008

Visit us at ADIPEC 2008!

3 – 6 November 2008

The Sniffers is participating in the ADIPEC 2008 exhibition in Abu Dhabi.

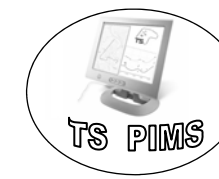

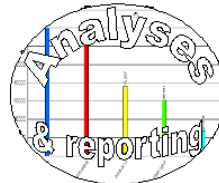

I am looking forward to welcome you at our **booth nr. H4 /30 in the Hall H4** and to discuss our various emission – and cost reducing services:

- Fugitive Emission Monitoring (LDAR)
- Flare Loss Monitoring Survey
- Steam Loss Monitoring Survey
- Quick scan with Infrared VOC camera
- Storage tank Emission Monitoring
- Instrumentation air loss Monitoring Survey
- Leak Detection Services
- Emission Monitoring Consultancy
- Coating Inspection Services
- Unique data management tools
- IT integration and automation services
- Pipeline inspection services

Hoping to meet you soon to discuss our ongoing projects in Abu Dhabi, Qatar and Kuwait!

Don't hesitate to contact me in case you require any more details:

The Sniffers, started in 1991, is a 100% Belgian owned and operated service company, specialized in emission management and pipeline integrity inspections. We plan to be a leading and global service company in the field. This goal can only be achieved by continuous improvement of our services and a quality guarantee for current- and future customers. We are committed to ensure that we meet and fulfill the needs of all our stakeholders.
