

Workshop on Fugitive Emissions

The Sniffers was participated at the GPCA seminar in Dubai, March 2009 where the main issues were discussed in connection with Fugitive Emissions.

Main issues:

- Fugitive emissions, their types and sources
- Monitoring and calculating methods of fugitive emissions
- What are the more benefits for the companies implementing the program
- Practical steps to be taken while implementing the program
- Case studies: Experience of companies on Fugitive Emissions monitoring undertaken by them

Workshop leaders:

Rudi Van Baelen – CEO of The Sniffers NV, Belgium

Ing Hans Hooyberghs – Co-owner and Sales & Technical Director of The Sniffers, Belgium

Vijay Kumar – Environmental expert of EQUATE Petrochemical Company, Kuwait

Sudhir Sivarajan – Environmental Engineer and Internal Auditor for EMS & QMS of Borouge, Abu Dhabi

Please check our website or send a request to hans.hooyberghs@the-sniffers.be, in case you would like to receive any more information about this seminar.
